1. SCOPE

The scope of this MOU between **City Academy Law College (CALC)** and **Sushil Kumar Dixit** includes the following key areas related to waste management services:

A. Waste Collection and Segregation:

- **Degradable Waste:** Collection of biodegradable waste such as food scraps, garden waste, and paper. Proper segregation of organic waste at the source within the campus to ensure it is sent for composting or other environmentally sustainable disposal methods.
- **Non-Degradable Waste:** Collection of non-biodegradable waste including plastics, metals, and glass, with provisions for recycling or proper disposal.

B. Waste Processing and Disposal:

- Safe processing and treatment of organic waste, including composting or conversion into energy (biogas) if applicable.
- Recycling of non-degradable materials, focusing on reducing landfill waste. Any residual waste that cannot be recycled will be disposed of in compliance with environmental regulations.

C. Waste Management Infrastructure:

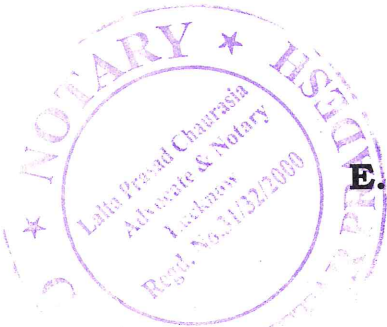

- Provision and maintenance of designated waste collection bins for different types of waste throughout the campus.
- Regular monitoring and maintenance of waste disposal systems such as composting units, recycling centers, and disposal points.

D. General Cleaning Supplies:

- Multi-surface cleaners for tables, chairs, and countertops.
- Floor cleaners for different types of flooring (tiles, wood, carpet).
- Glass and mirror cleaners for windows, doors, and other glass surfaces.
- Disinfectants and sanitizers for high-touch areas like doorknobs, switches, and handrails.

E. Compliance and Legal Requirements:

- Ensuring adherence to local environmental laws and regulations, including compliance with waste disposal guidelines and waste management best practices.
- Obtaining necessary certifications and approvals from local environmental authorities to ensure all activities are conducted legally.
